Recipe Steps

Please place the required cooking vessel on the On2Cook induction top. Then follow only the manual setup or ingredient-addition steps shown below:

Prerequisite: Set up the required accessories: Pan Non-Coated (SS); Silicone Stirrer; SPECIAL INSTRUCTION; RINSE POHA ONCE; KEEP IN STRAINER FOR 5 MINUTES.

Step 1: Add 685 g All Ingredients to the pan. Keep the lid open.

Disclaimer

When an accessory setup is shown, use only the listed accessories and complete that setup before adding ingredients. Plain Water listed simply as 'Water' is dispensed automatically by the On2Cook pump from the connected water bottle. Do not add this plain Water manually.

Any named or special water—such as Stock Water, Coconut Water, Rice Water, or another recipe-prepared liquid—must be added manually whenever it appears in the steps.

Open the lid only for the ingredient-addition prompts shown above, then set the lid as instructed before cooking continues.

Please open the lid of the On2Cook device, take out the food, and serve it.
